

RENT COLLECTION POLICY

1.0 INTRODUCTION

- 1.1 This policy describes how Almond Housing Association Limited (AHA Ltd) will seek to maximise rent collection, prevent arrears of rent and/or service charges occurring and, when they do occur, take positive, pro-active action at an early stage with the aim of eliminating the arrears.
- 1.2 In taking action under this policy AHA Ltd will aim to ensure that tenants do not lose their tenancy for non-payment of rent or service charges without first having received all possible advice and assistance, with any special circumstances being taken into account. Tenants will also be given a reasonable chance to increase their payments to repay arrears.
- 1.3 This policy is supported by detailed operational procedures.

 - a) raising initial awareness about the variety of ways rent may be paid, by displaying and publicising our 'Ways to Pay'

- b) at the pre-allocation visit, emphasising the importance of making rent payments on time and discussing with the prospective tenant the method of payment best suited to them
- c) providing comprehensive advice and information at the time of signing the Tenancy Agreement to ensure that the tenant understands the importance of keeping up to date with their rent payments, and the action AHA Ltd will take if they do not
- d) at the time of signing the Tenancy Agreement, providing information on the advice available from agencies that can assist with debt counselling, if required in the future
- e) providing advice and assistance to tenants, in particular new tenants, in completing and submitting applications for Housing Benefit (including as part of any Universal Credit application), and checking that the application has been submitted

4.0 DEALING WITH ARREARS

- 4.1 Through regular monthly monitoring of rent and service charge payments AHA Ltd will identify any overdue amounts and will take swift action to eliminate them, including:
- contacting the tenant in the month a payment is missed
 - reminding them of their responsibilities
 - establishing the cause(s) of the problem
 - seeking to agree measures to ensure payment is made
 - providing bank pay-in facilities to assist in making additional payments.
- 4.2 AHA Ltd will maintain regular contact with a tenant in arrears, discussing the reason(s), warning them of the action that may follow non-payment of rent, and identifying whether the tenant would benefit from changing their regular method of payment.
- 4.3 Where appropriate, AHA Ltd will support tenants who are experiencing difficulty in managing their rent arrears by directing them to services that may be able to assist whether directly ourselves or third-party agencies.
- 4.4 AHA Ltd will normally agree to the establishment of a payment agreement, where the tenant requests this method of dealing with their arrears from the options available.
- 4.5 AHA Ltd will take all necessary action, including legal action for re-possession of the property, where our efforts to achieve repayment are not successful.
- 4.6 AHA Ltd will follow up former tenant arrears as actively as possible as detailed in our Debt Recovery – General procedure.
- 4.7 AHA Ltd will ensure that arrears which are unlikely ever to be recovered are provided for and formally written off at regular intervals in accordance with current procedures.

5.0 CURRENT TENANTS

 - Serious arrears (more than 2 months' in arrears)
 - Legal action (including court hearings)
 - Eviction
- 5.2 Where a small amount of arrears has been outstanding for a considerable time and it would not be appropriate to seek legal action for possession, a small debt action may be used as an alternative method to enforce payment.
